PROFESSIONAL SUMMARY

Bilingual (Arabic/English) Language Officer at the Continuing Education Center, Mohamed Bin Zayed University for Humanities, with hands-on experience in planning and coordinating language training programs, course administration, trainer recruitment, external outreach and cross-department coordination. Holds a Bachelor of Arts in Business / Global Politics from Arizona State University and is committed to continuous professional development in AI, management and communication, seeking to support administrative and academic work across the university.

CORE COMPETENCIES

Programs & Operations: Training Program Planning & Scheduling · Course Coordination & Supervision · Registration Platform Administration · Website Content Coordination · Trainer Recruitment & Database Management · Quality Follow-up & Reporting · Strategy & Policy Review

Stakeholders & Partnerships: Stakeholder & Partnership Engagement · Proposal & MoU Drafting · Cross-Department Coordination · Communication

Professional: Events Management · Team Leadership · Time Management · Data Analytics for Decisions

PROFESSIONAL EXPERIENCE

Language Officer | May 2025 – Present

Languages Department, Continuing Education Center — Mohamed Bin Zayed University for Humanities, Abu Dhabi, UAE

- Organized summer language workshops and an Arabic-language summer program (2025).
- Plan and schedule English, Russian, French and Chinese courses, and create course pages on the registration platform.
- Prepare enrollment lists, placement tests, and course application and teaching-materials submission forms; developed the fee-refund procedure and forms, and inventoried course curricula.
- Recruit, nominate and follow up with trainers, complete trainer files and maintain a trainers database on SharePoint.
- Coordinate partnerships with external institutes and government and community entities; attend partnership meetings and prepare minutes, draft MoUs, and built a unified partners database.
- Distribute the annual training plan, run outreach campaigns to government and private entities, and coordinate announcements with Corporate Communication and university departments.
- Coordinate customized training programs for government entities, including weekly reports, attendance tracking and trainee lists.
- Took part in user acceptance testing (UAT) of the new registration system; follow up platform development with technical support; developed the Continuing Education webpage structure and content, and prepared terms and conditions.
- Prepare monthly statistical and quarterly achievement reports; set individual goals and KPIs; conduct training-needs surveys and analysis; provide feedback on Center strategy and course policy; contribute to the enrollment-growth plan and 2027 budget needs.

KEY ACHIEVEMENTS

- Planned and scheduled 36 in-person language courses across 4 languages and 3 levels for Q4 2026.
- Led an outreach campaign to about 150 government and private entities.
- Developed the course fee-refund procedure and forms.
- Took part in user acceptance testing of the new course registration system.
- Built a centralized trainers database and a unified partners database.
